there.

That your said Petitioners in December One thousand seven

and about Eight o'Clock in the Evening of the next Day being the
Seventh of March the said Ship being then at anchor in the
Harbour of Boston aforesaid a great Number of Persons all of
whom were unknown to the Captain and many of them disguised -
and dressed and talking like Indians armed with Axes and
Katchets with Force and Violence entered on Board the said Vessel
and broke open the Hatch and proceeded to ransack the
Hold and hoisted out Twenty eight Chests of Tea amongst which

the said Vessel and threw with Katchets Axes and Clubs broken open

That by an Act of Parliament passed in the present Session
intituled "An Act to discontinue in such manner
and for such time as are therein mentioned
the landing and discharging lading or shipping
of Goods Wares and Merchandize at the Town and
within the Harbour of Boston in the Province of
Massachusetts Bay in North America" your
Majesty is empowered to assign and appoint the Extent Bounds
and Limits of the said Port or Harbour and also to appoint
Quays and Wharfs within the said Harbour for the landing
discharging lading and shipping of Goods in case it shall
appear to your Majesty that full satisfaction hath been made
by the Inhabitants of the said Town of Boston to the East India
Company for the Damage sustained by the said Company by
the Destruction of their Goods sent to Boston And when it
shall be properly certified to your Majesty that reasonable
satisfaction hath been made to others who suffered by the
Riots and Insurrections at Boston in November and December
One thousand seven hundred and seventy three and January
One thousand seven hundred and seventy four

That at the time of passing the said Act Advice had not
been received in England of the Riots and Disorders committed
at Boston in March One thousand seven hundred and seventy
four and therefore the same could not be therein particularly
taken Notice of But nevertheless your Petitioners humbly
conceive that by the said Act it was intended that no such
Port Harbour Quays or Wharfs should be appointed as or
for the said Town of Boston until it should appear to your
Majesty that reasonable satisfaction had been made to all Persons
who suffered by the Riots and Insurrections at Boston

Therefore and in regard that the Violence used in destroying the
said sixteen Chests of Tea was not provoked by your Petitioners
and did not proceed from any Resentment conceived against them
or against their manner of trading but was intended and used

by all affected Persons as an Affirmation to and defence of your
Majesty's Government and Authority

Your Petitioners most humbly
pray that your Majesty will be graciously
pleased to give your Petitioners such relief
as their Case may require and such as to your
Majesty may seem just
